CLOTHING: The temperature is moderate during the day to cool on winter nights. Dress is very informal. From our experience, the following clothing is required on safari: 3 shirts, 3 pair long trousers (lightweight), 2 pair short trousers, lightweight hunting boots or sneakers if preferred, socks, underwear, jacket, sweater, sunglasses, sunscreen, and your hunting equipment.

EXCLUSIVITY: We offer a rare degree of exclusivity. Upon arrival you will be met at the airport and driven to your concession. The Safari will commence the following day and continues for the full hunt days and the final day you will return to the airport. It is the evenings, while sitting around the fire sipping your favorite drink that you will relive the day's hunt and the spirit of Africa will embrace you and give you an experience you will always treasure.

BIG FIVE HUNTS: Our hunters have successfully taken all of the Big Five. We will customize your Big Five plans.

TIPS: First of all, gratuities are always optional. It's customary to tip the professional hunter 10% - 20% of the total hunt cost and they will disperse amongst the trackers and skinners.

TERMS AND CONDITIONS: Deposit of \$2,500.00 is required on a Plains Game Hunt. Deposits are non-refundable if hunt is cancelled. Deposits can be transferred to a subsequent year, with a \$1,000.00 transfer fee if 120 days' notice is given prior to hunt date. **Trophy fees are payable on all animals killed or wounded.** Trophy fees must be paid within 30 days of departure date from Bushmen Safaris. South African payments to be made in travelers cheques. While all reasonable precautions are taken to ensure the safety and wellness of clients, Bushmen Safaris is not liable for injury or illness during or after safari.
